## TOWNSHIP NEWS BRIEFS

by KIMBERLY BLAKER

On October 26, the Huron Township Board of Trustees held its briefest meeting in months. Few motions were made but many items were reported or briefly discussed.

### News Briefs:

- Fire Chief Dave Russow announced that the department received a thank you from Mrs. Heiniger's sixth grade class at St. Stephen's. The letter was read by Clerk Dawnette Bowers commending the Huron Fire Department for its hard work.

- Chief Russow reminded residents to change the batteries in their smoke detectors when setting their clocks back. Free detectors are still available through the Huron Fire Department.

- Kevin Thomas was approved to be placed on the Fire Department at Station 2 for training purposes.

- Police Chief Robert Metzger reassured the community that the depart-

ment is alert and prepared for possible acts of terrorism.

- Trustee Marlene Krause said she recently spoke with a resident who praised the Huron Police Department for its thorough job. When her security alarm recently went off, officers did an outstanding job in assuring her safety.

- The Chief will be sending letters to residents on private roads within the next couple of weeks offering patrol services on private roads.

- The Township's attorney, Kevin Foley informed the Board that a suit filed against the Township resulting from a slip and fall injury has been dismissed.

- Treasurer Jarrod Barron reminded residents to get out and vote on the Wayne County Community College Millage Election. He pointed out his concerns regarding the election. The Treasurer said that the millage is an increase, not a renewal. Furthermore, he said he had been informed that 12,000 Detroit students attend WCCC,

while only 30 Huron residents attend. Trustee Larry O'Kelley said he echoed some, but not all of the Treasurer's sentiments.

- Trustee Nora Adkins brought up complaints made by residents regarding substantial increases in their water bills. The Clerk said there was a glitch in the department's recently installed software. It miscalculated the readings in one section of the Township before the error was caught. All residents with errors in their billing will be credited by the next billing cycle. For immediate credit, contact the Water Department at 753-4466, ext. 115.

- Adkins complained that the Fall banners hanging in downtown New Boston were not divided between Waltz and Willow. The Clerk said the banners were purchased by the Huron Recreation Commission. The Treasurer agreed to discuss the matter with the Recreation Department.

- Trustee Mary Lou Carey reported

that the airport sound abatement program would resume with a new construction company. All homes that weren't done properly will be redone. All homes are expected to be completed by December 2002.

- Carey informed the community of an error that was made in the Huron River Weekly in reporting on the pet ordinance approved at the last meeting. Changes in State law now require that all puppies receive vaccinations at four months of age. Carey also said she checked with the attorney before voting on the ordinance and was assured that the ordinance doesn't conflict with the Michigan Right to Farm Act.

- Carey reported that State legislation has been proposed that could result in Townships losing control over their zoning if it passes. A few members of State legislature are looking to gain control of Michigan township zoning, according to Carey.

## LEGISLATION AFFECTS MICHIGAN SCHOOLS

by KIMBERLY BLAKER

School Districts and children across the State of Michigan could soon be affected by numerous legislative proposals that have been recently introduced in both the House and the Senate.

According to Huron Superintendent Thomas Hosler, the District received notice from the Michigan Association of School Administrators and the MEA regarding the proposed legislation.

On November 12, superintendents and school boards of the downriver area will meet with downriver legislators. Several topics will be discussed

including legislation that will affect students with attention-deficit/hyperactivity disorder and other neuropsychological disorders.

Another topic on the agenda is a bill that would change school board elections to be held in November rather than June. Superintendent Hosler explained, "While it appears to be a good idea, it is not. It won't save districts money, and it could create a problem in school district politics, i.e., two new board members join in January when districts are in the middle of negotiating employee contracts or in the middle of the decision-making process."

Some of the many pieces of legislation that could affect district and students include:

- HB 5083 that "establishes an advi-

In my quest for updated recipes, I have reproduced a great new alternative to candied sweet potatoes. This recipe combines a sweet squash, the tartness of cranberries, the crunchiness of pecans and with a touch of apple cider and honey, you won't even miss the marshmallows.

## HMMM, SOMETHING SMELLS WONDERFUL!

by GEORGETTE HERON-WILLOUGHBY

Remember that old-fashioned corner bakery near your house when you were a kid? All of the wonderful smells of fresh bread or cinnamon rolls and chocolate or cheery chip cake. I have found such a place right here in our area. You've probably never noticed it because it's not on a corner, it's in a strip mall on Telegraph at the north side of Flat Rock. But don't let it fool you, it really is that old-fashioned bakery.

Bread Basket Bakery owner, Kim Moore is fulfilling a long-time dream. She studied at the Monroe County Community College and then went on to perfect her talent at the Monroe Country Club, The Kings Mill On The James, Williamsburg Virginia and she also spent two years at the Hotel Pontchartrain. Her education continued at the School of Wilton Cakes.

Moore is a single mom but along with her son Jason they are working hard to make a good life and business together. Moore also credits her success to her mother Sandra Cregar, she helped her get the business started and continues to encourage her.

The Bread Basket always has fresh Baguette, Bread and Rolls. When was the last time you had a fresh Italian Cannoli? You can get them made fresh to order. The Cookies and Croissants are always abundant and new to the bakery are fresh Spinach Pie and Pepperoni Rolls.

I suggest that you start the morning out right with a fresh cup of hot coffee and a great Danish or Breakfast Roll. Then on the way home, stop and get a fresh baguette or a pie for dessert.

# KOOL & THE GANG ARE STILL KOOL

by GEORGETTE HERON-WILLOUGHBY

The MGM Grand Casino's Summer Nights Under The Tent series ended with a big bang. Kool and the Gang took the chill out of a late September evening when they

turned up the heat in Detroit. They gave a performance that was not only big it was unrestrained. The hits flowed through the twilight, with *Ladies Night*, *Jungle Boogie* and everybody's favorite

*Celebration*. It was one rockin' night with over 150 people dancing to every song and singing every word. Have you ever done the Hustle with over 50 people? Wow!

## MGM CHEFS WIN PRIZE

Two chefs from MGM Grand Detroit Casino created a stellar dinner menu from a basket of mystery foods to win bronze medals in a regional culinary competition.

MGM Grand Detroit Casino chefs Anthony Middlebrook of Detroit and Michael Urbin of Ann Arbor won third-place bronze medals during the "2001 Culinary

Classic Two-Man Mystery Basket Contest." The contest was part of Gordon Food Service's (GFS) Fall Food Show held October 10 in Fort Wayne, Indiana.

Forty-two teams of chefs from Illinois, Indiana, Ohio and Michigan participated in the annual competition.

Teams were presented with a randomly selected basket of

food items, and allowed 30 minutes to prepare a menu for a three-course meal. The chefs were then allowed two hours to prepare the meal.

Culinary medals were awarded to participants who ranked highest in taste, appearance, presentation and kitchen cleanliness. Ten chefs from the American Culinary Federation judged the menus under Culinary Olympic Standards.

The prize-winning menu included:

Wild Mushroom Seafood Chowder garnished with Lobster.

Pan-Seared Quail Salad with Roasted Pecans, Julienne Vegetables and Raspberry Vinaigrette

Roasted Loin of Lamb  
Eggplant Ratatouille  
Napoleon

Middlebrook is chef for Venti Uno, MGM Grand Detroit Casino's Italian restaurant featuring northern and southern Italian cuisine, specialty pizzas, signature entrees and desserts in a contemporary setting. He had worked at MGM Grand Detroit Casino since April 1999, and was formerly sous chef for the casino's Hollywood Brown Derby Restaurant.

Urbin is chef for the casino's Hollywood Brown Derby restaurant, a premier steak and seafood restaurant replicating the famous Hollywood gathering place. He has worked at MGM Grand Detroit Casino since May 1999, and was formerly sous chef for MGM's Grand Buffet and Venti Uno restaurant.

## GRIEF COUNSELING AVAILABLE

Frequently the death of a loved one is devastating. Although grief is a natural and normal reaction to a death, most of us are not prepared for the long journey. Brown Family Center provides a Chief Support Program to the community for times such as those. Our purpose is to offer understanding, suggestions for coping, support and friendship, but most importantly, a place to go where you may talk and share your feelings about your loved one.

A new grief support group will be starting Tuesday, November 6, 2001. It will be held the first and third Tuesday of the month from 7-9 p.m. For more information or registration please call, Martha Brown at Brown Family Center (734) 697-5090.

Individual and group sessions are available.

The support group and Brown Family Center are funded by David C. Brown Funeral Home therefore all programs are free of charge.

sory council to investigate, compile a report and recommend policies pertaining to psychotropic drug (e.g. Ritalin) use among children."

• HB 5084 was removed from the bill package. It would be established "procedures for suspension and expulsion of students taking psychotropic drugs."

• HB 5085 was recently amended to "require the Department of Education to develop a procedure for schools to use when students have behavior problems." This policy is to specify what teachers can do to help identify students with behavior problems and what teachers may not discuss with parents.

• HB 5086 "requires the Department of Community Health to develop an informational pamphlet about the 20 psychotropic drugs most frequently used with minors."

Parents and teachers throughout Michigan have expressed concern that some of these bills such as HB 5085 will make teachers hesitant about recommending evaluations for children with behavior or attention problems. Furthermore, HB 5085 could set precedence for further restrictions on the ways teachers communicate with parents.

Brown Elementary principal Rod Hopper pointed out "some people are under the impression that school districts are handing out recommendations for prescriptions, and we certainly are not. We hand out recommendations for medical evaluations." Mr. Hopper explained that his teachers work closely with the parents and physicians of students in order to assist students to the best of their ability.

Beginning the week of October 29, the Senate Education Committee took up the following bills:

• SB 213 that "allows employment agencies to provide substitute teachers to school districts.

• SB 562 "establishes a procedure for a notification process to notify school districts of MEAP irregularities in their buildings."

• SB 459 "forgives student loans for individuals who teach in shortage areas."

• SBs 645 and 646 will revoke "the driver's license of

an individual under 21 who makes a false bomb threat."

• HB 4491 "eliminates the sunset date relative to schools

being prohibited from scheduling classes the Friday before Labor Day. Removal of sunset

would mean this prohibition would continue until or unless the law is repealed.
